During our "Season of Generosity", we come alongside families in need of help in the holiday season. The ways we serve these families is through volunteering to pack and share food for Thanksgiving and Christmas, purchasing gifts for families in need and supporting our mission partners. We encourage everyone to take this time to go above and beyond what they normally do or give to those in our community and beyond.

Beginning this Sunday, October 20th

Pick up a bag or a box to fill. (A shopping list is provided for each)

- A bag will cost about \$13 to fill, and
- A box will cost about \$100 to fill. A great idea is to go shopping together with a friend, neighbor or your Life Group and share the cost.

Return your bag or box on **Sunday, November 10th or 17th.**

Season of Generosity Opportunities
